

WINTER

AT THE CAMP 2017/18

SHARED. SPECIAL. MEMORABLE.

With more than ten years behind us, every new season gives us a chance to reflect on the experiences we provide within our Club and community. Beyond the events and activities, all of us at Martis Camp are grateful to be contributing to members' lives in meaningful ways. As families grow and change over the years, we know many will look back and remember special moments that took place at The Camp – bluebird ski runs after a deep snow, a dinner shared with the whole family on Thanksgiving, cheers with loved ones at midnight on New Year's Eve, moments of joyful creativity in the Art Loft. The essence of life flows through these memorable occasions.

This season we look forward to making more memories with you, starting with the Thanksgiving holiday. Join us for our buffet, plated and family-style dinners around The Camp, and keep the fun going throughout the weekend at our Lights On! Holiday Tree Lighting at the Family Barn. December brings the opening of Lookout Lodge and the Martis Camp Express Lift, along with festive celebrations and fireworks to ring in the New Year. Our Folk School offers a diverse calendar of classes and crafts all the way into next spring, and options for outdoor fun in the snow are truly endless by snowshoe, snowboard, skis, fat tire bike, snowcat and snowmobile.

Enough with the snow? We hope you'll take a moment to read about the lives you're positively impacting through the Martis Camp Community Foundation. Your donations are making life better for many people in the greater Truckee/Tahoe community, including two local students. Please also read through our guest policy which supports our efforts to provide impeccable service to all members and guests at Martis Camp.

At the end of the season, when you reflect on all you've seen and experienced, our hope is always that you look back with fond memories of the quality time you shared with your family and friends at The Camp. Remember that day? Remember that moment? We had so much fun, together.

Welcome to Winter at The Camp.

CLUB POLICIES AND RESERVATIONS

GUEST POLICY

All guests must be accompanied by the Sponsoring Member, or a member of the Immediate Family of the Sponsoring Member. A member and his or her Immediate Family may host up to four guests at one time or a "Guest Family," regardless of number, if accompanied.

Members may invite their Extended Family to enjoy the Club Amenities as an unaccompanied guest of the Member, whether or not the Member is present in the Community. Extended Family Guests may not use parking or valet services at Lookout Lodge during peak holiday periods or weekends but may use the shuttle service between the Member's residence or the Camp Lodge and Lookout Lodge.

Extended Family Guests may not host guests.

For guests staying in a Martis Camp home, House Guest privileges permit unaccompanied use of Club Amenities during the week of registration. House Guest use of Lookout Lodge is limited to Monday through Friday and after 3:00 p.m. on weekends and peak holiday periods. To obtain guest privileges for a House Guest, the Sponsoring Member must register House Guests with the Concierge at least two business days prior to the arrival date of the House Guest. Issuance of a House Guest pass shall be subject to payment of the applicable House Guest pass fee. In addition, House Guests may pay daily amenity use fees and other charges. The Sponsoring Member shall be responsible for all charges incurred by his or her House Guests that are not paid by the House Guest prior to the next billing statement. When Lookout Lodge use is not available, House Guests may boot up and ride the community shuttle to access slopes directly from the Lookout Lodge shuttle stop.

House Guests may not host guests.

On Friday and Saturday evenings, Extended Family Guests, House Guests and Prospective Club Member Guests may make reservations for dinner at the Camp Lodge, Family Barn or Lookout Lodge only for seating before 6:00 p.m. or after 8:00 p.m. Guests may not reserve seats for holiday Signature events except as the Club may permit and only with 24-hours notice, on a space available basis.

For a complete set of Club rules visit members.martiscamp.com.

MARTIS CAMP COMMUNITY FOUNDATION

The mission of the Martis Camp Community Foundation is to elevate the quality of life in the greater Truckee community by making a positive impact in the areas of education, youth development, human services and recreation.

Support the MCCF! Your gift to the MCCF is tax-deductible and will be used to meet the most pressing needs of the greater Truckee community. To learn more or make a donation, visit the MCCF section at members.martiscamp.com.

MCCF Scholarship recipient Amanda Rae with MCCF Board Member Ann Burchill

GIVING WARMTH TO THOSE IN NEED

Through a \$5,000 grant from the MCCF, the Truckee/North Tahoe Emergency Warming Center cared for some of the most vulnerable members of the community during the most brutal winter in recent history. Last winter, the warming center was open 35 nights, and assisted 44 individuals and four dogs. In total, 174 nights of shelter were provided. In addition, 30 other individuals were given basic necessities including sleeping bags, blankets and warm clothing.

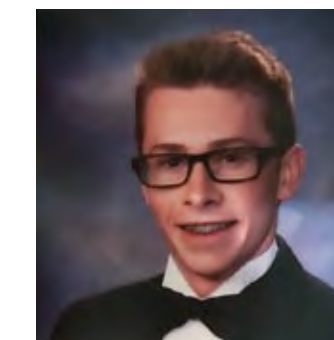

In total, 255 volunteers offered more than 1,155 hours of their time in support of the center. Volunteers spent time with guests sharing meals, playing games and getting to know them. Through earned trust, the center was able to move several people into permanent homes and one person into a drug rehabilitation program. The center is currently moving ahead with plans for the 2017/2018 season.

2017 SCHOLARSHIP RECIPIENTS

Local students Amanda Rae and Christian Foley Penrose are the lucky recipients of this year's MCCF scholarships. Leadership, community dedication and academic excellence make both of them deserving candidates.

Amanda Rae

Amanda (pictured at left) is an impressive young woman, running cross country and track during high school while maintaining a weighted 4.2 GPA. Her coach says, "She is the athlete and friend supporting others when they are down, bringing up the team spirit when morale is low, and always turning a negative into a positive." Amanda will attend University of California, Davis where she will pursue a degree in veterinary medicine.

Christian Foley Penrose

Christian excelled in numerous areas at Truckee High School. He played alto saxophone in the band, played JV and varsity baseball, and volunteered in the community while maintaining a weighted 3.82 GPA. A former Martis Camp Ambassador, he is described as a self-starter who demonstrates kindness and integrity. Christian will attend California State University, Chico in pursuit of a degree in nursing.

Inviting experiences in the company of family and friends

Food & Beverage Director Matthew Merrill, Executive Chef Conor Ball and Wine Director and Dining Room Manager Attila Pallos set the standard of excellence you experience when you dine at The Camp. Whether you're stopping for a bowl of chili in the middle of a ski day, indulging in a burger at the Family Barn or celebrating a special occasion with dinner in the Cliff Room, impeccable service and genuine hospitality are at the heart of our ethos.

Behind the scenes, our culinary team also strives for excellence – starting with our menus made with local, sustainable and organic products whenever possible, following all the way through to the skilled preparation of everything we present from the kitchen.

From the stones at your place setting to the smiles on our faces, we strive to make dining at The Camp a unique and familial experience that makes you feel at home while inspiring you to come back again.

COMMUNITY INFORMATION

Safety, security and peace of mind

SPEED LIMIT

To ensure the safety of people, pets and wildlife on our roadways, the speed limit throughout the community is 25 miles per hour and 15 miles per hour when approaching the Gatehouse and roundabouts. Speeds should be reduced even lower when ice or snow is present. Members or guests may receive rule violation fines for inappropriate speeds on property.

LOW-SPEED VEHICLES

Prior to the use of a low-speed vehicle on community property, the Member must register the low-speed vehicle with the Association. An Association representative from the Gatehouse will review the low-speed vehicle for compliance with the rules and regulations governing use of low-speed electric vehicles. The low-speed vehicle agreement form is available at www.martiscamp.com/gatehouse.

TRANSPONDER ACCESS

A transponder is a small electronic device that works in conjunction with the Gatehouse Security Access System. This device transmits a signal upon approach to the Gatehouse that automatically opens the member gate for easy access. Additionally, this device announces the name of the homeowner or family member to whom each transponder is assigned. Transponders are \$50 and available for purchase online at www.martiscamp.com/gatehouse.

GUEST ACCESS

All guests must be authorized for access with the Gatehouse prior to entrance into the community. Homeowners may call or email the Gatehouse with guest information (name, number in party, duration of stay). Email is the preferred method of communication. Guests may be registered on a homeowner's permanent guest list for recurrent access. Should a homeowner's guest not be listed, the Gatehouse will make every attempt to contact the homeowner to confirm authorized access before turning any guest away. Homeowners should email the Gatehouse with any changes to their contact information so that Gatehouse records are up to date.

MAIL SERVICE

Mail service is available for all members at the Mail Room in the Camp Lodge. To receive mail and parcel delivery through the USPS, a mail delivery application must be picked up from, completed and returned to the Camp Concierge to give to the Postmaster. Mail sent to mailboxes that have not been activated will be returned by the USPS.

Please note, FedEx and UPS packages will be accepted at the Gatehouse only for members enrolled in the House Watch Program. Members enrolled in the program will subsequently have their packages delivered to their residence. Members enrolled in the Alarm Monitoring Program may have their packages delivered to their address by Gatehouse staff for an additional \$20 per month. Any package delivered directly to the Gatehouse for a resident not enrolled in the Gatehouse programs will be charged \$25 per package for handling and storage.

SMOKING

Smoking is only allowed in posted designated smoking areas.

When the California Department of Forestry has issued a "RED FLAG" warning or the Association has posted extreme fire danger warnings, smoking will be prohibited in all common areas throughout the community. These common areas will be marked with a large red flag. Red flag warnings also will be posted on the home page at members.martiscamp.com.

HOME SECURITY

ALARM MONITORING & RESPONSE PROGRAM

Enrollment form available at martiscamp.com/gatehouse

Billed quarterly

For information about monthly fees, contact the Gatehouse at (530) 550-6100

The Alarm Monitoring & Response Program offers homeowners 24-hour alarm monitoring and response by Gatehouse staff for a monthly fee billed quarterly to the member account. The staff will respond to a home upon any alarm notification. Response efforts are considered to be in an "observe and report" capacity. Any action(s) taken are to assist the homeowner, local law enforcement and/or rescue crews. Medical or fire alarm responses consist of stabilization or preventative efforts. Additionally, the Alarm Monitoring & Response Program helps reduce or eliminate false alarm response by police and fire agencies. Alarm Monitoring & Response is its own program and is not associated with the House Watch Program. Gatehouse staff cannot legally respond to an alarm at a home unless the homeowner is signed up for the Alarm Monitoring & Response Program.

Key features of the program include:

- 24-hour alarm monitoring
- Immediate response to any home alarm
- Local response agency assistance
- False alarm reset
- Scheduling and performance of weekly alarm testing
- Homeowner notification of system tests or service disruption
- Package delivery available at additional cost

HOUSE WATCH PROGRAM

Enrollment form available at martiscamp.com/gatehouse

Billed quarterly

For information about monthly fees, contact the Gatehouse at (530) 550-6100

Effective January 1st, 2018, monthly fees for the House Watch Program will be determined by square footage. An "Estate" is defined as any residence with 3,500 square feet or more, or any residence with a main house and a guesthouse. A "Cabin" is defined as any residence with 3,499 square feet or less, with no guesthouse.

The House Watch Program offers homeowners peace of mind while away from their residence for a monthly fee billed quarterly to the member account. The program provides regular interior and exterior home inspections with immediate notification to homeowners of any issues or concerns. This program is not a concierge service and is not associated or connected to the Alarm Monitoring Program.

Key features of the program include:

- Regular interior and exterior home and property inspections
- Key management
- Guest/contractor/vendor/maintenance access management
- Home arrival and departure services
- Home inspection after a significant weather or other natural event
- Complete package delivery service
